It also has a heavy-duty water well made of durable 20 gauge stainless steel to stand up to the daily demands of your busy concession stand, cafeteria, or hotel breakfast bar.

Included in this kit are (1) 4 qt. and (1) 11 qt. inset pots, with accompanying stainless steel ladles and notched covers to keep the contents of the pots nice and hot, as well as to help retain moisture. Both ladles include a hooked handle so that they do not fall into the pots.
