Notes & Details

Let your guests unwind in style and comfort with this Lancaster Table & Seating white stacking adjustable resin chaise with black cushion and pillow. Whether poolside with a cocktail or on the beach with a book, this chaise lounge is the perfect way to treat your guests to rest and relaxation. It offers a 5-position adjustable back so each user can adjust it to their perfect position for ultimate comfort. This chaise is made of durable resin and is UV- and weather-resistant so it resists fading over time. The cushion is constructed of a high strength textilene fabric that is built to last, and its neutral black color is perfect for any relaxing oasis. The included pillow also provides a soft resting place for your patrons to relax, and a strap ensures it stays in place during use, but they can be easily removed if desired.

This chaise is great for outdoor use, and it can be washed with a power washer. A set of wheels makes transportation easy, but remain discreet when not in use. Plus, this chaise can stack up to 25 chairs high for simple, compact storage. The cushion is resistant to mildew, soil, and wear and tear, and an additional strap on the back ensures it remains attached. Allow your guests to relax in this chaise lounge for a stay your patrons won't forget.
