Notes & Details

Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy Series standard-height outdoor table and chairs! This set is made of durable steel and coated to withstand years of use. The distressed onyx-black color adds a sleek, modern touch to any setting and is sure to be a contemporary design choice that guests love. Comfortable and stylish, this strong yet lightweight set is an excellent choice for your indoor or outdoor dining area. To save you money on shipping costs, the table ships unassembled. All required assembly hardware is included so you can quickly set it up in its proper space and let your guests enjoy! The chairs ship fully assembled.

Ready to withstand daily outdoor use, this table set is constructed of durable steel. It's then powder coated for rust and corrosion resistance as well as extra protection against everyday wear and tear. The sturdy table base is reinforced with additional cross bracing, while the chair frames are reinforced with additional under-seat cross bracing. These features provide strength and stability without adding extra bulk or weight to this sleek design.

Each chair boasts a 400 lb. weight capacity. To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, the chairs feature supportive backs and comfortable seats with raised, rounded lips for a sleek, minimalist look. Rounded arm rests are also included for added support. Each of the chairs can even be stacked with up to six other Lancaster Table & Seating Alloy Series outdoor arm chairs to maximize storage space!

In addition to being stylish and durable, this lightweight table set is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer! Plus, cleaning is as easy as wiping the surface with a damp cloth and all-purpose cleaner. The drain hole on each chair ensures that water won't pool on the seat, helping it to dry faster after washing or accidental spills.

The table's 23 1/2" x 23 1/2" square surface is perfect for comfortably seating two guests while saving space on your patio. With a wide variety of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment. This low-maintenance table set features protective glides that help keep floor surfaces in pristine condition. While the included seating is stackable, this table cannot be stacked with other tables.
