Features

- **Direct replacement for original part**
- **Designed for use with Noble Products Last Call heavy-duty electric glass washers**
- **Connects the drive shaft to the motor housing**

Notes & Details

Use the Noble Products drive shaft coupling as a direct replacement for the one that came with your Last Call heavy-duty electric glass washer! This component connects the drive shaft to the motor housing, allowing the brushes to spin and scrub your glasses until they shine. Replace a worn or damaged drive shaft coupling right away so that the motor can power your brushes!
