NEPTUNE SERIES

NEPTUNE 220H

The Neptune 220H is a professional grade extractor featuring dual 5.7 2-stage motors that deliver powerful, responsive, and deep heated cleaning. Lightweight and easy to use, this unit is designed to maximize efficiency and maneuverability on every job. The Neptune's 1750-watt instant heat is paired with 220 PSI and 145" of lift to clean surfaces thoroughly while promoting significantly faster drying times. The Neptune 220H is available as a standalone extractor or as a complete package featuring the Trident Wand 13" and a 15' hose set.
