Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating vintage finish wood ladder back bar stool with dark brown vinyl seat. This bar stool's stylish back and padded seat combine with its sleek wooden frame to instill a unique look in any location. Plus, since this bar stool's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance. At an ideal height for both bar and raised table seating, this bar stool is a versatile option for any restaurant, bar, deli, or coffee shop.

This bar stool's sturdy European beechwood frame provides unmatched durability and an impressive 350 lb. weight capacity. Beechwood stands up better to daily use and is able to better resist gouging and chipping compared to other types of wood. Additionally, the smooth surface on this bar stool provides a natural wood feel, while the vintage finish offers the ultimate in style. Its reliable design ensures you'll be using this bar stool in your pub or restaurant for years to come!

This bar stool also features a ladder back design that's contoured to provide extra support to your customers' upper backs. Plus, this design gives it a unique visual appeal, making it perfect for both upscale and casual decor, as well as anything in between. The 2 1/2" thick dark brown vinyl padded seat provides exceptional comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety.

The gold-plated footrest gives customers a place to rest their feet and helps keep the frame from getting scratched. Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this bar stool is shipped fully assembled with the seat already attached.
