Notes & Details

Enjoy the outdoors under the pleasant shade of this Lancaster Table & Seating 6' nutmeg push lift aluminum umbrella! This umbrella's 6' span is perfect for shading a table from the sun. Expand your outdoor seating with ease and ensure your guests are comfortable and protected thanks to its reliable design. Its lightweight and easy-to-use push lift mechanism with grip handle and key-operated lock-in-place design makes it easy to open during the day, close after hours or during inclement weather, and store in the off-season.

A single vent in this breathable canopy allows air flow to increase stability. The high-luminosity fabric is fade-resistant and has UV50+ sun protection to last for 3-5 years. It's made of 260 GSM, solution-dyed acrylic fabric that is both water-repellent and mold- and mildew-resistant. This umbrella also repels dirt and is easy to clean. Plus, its nutmeg color is sure to add a colorful touch to any space, making it perfect for parties, picnics, or other catering events. The included Velcro® tie keeps the umbrella closed for easy storage.

This umbrella's aluminum ribs and 1 1/2" aluminum pole allow it to be lightweight yet durable to withstand consistent use in your establishment. Since it's easy to maneuver, you can conveniently relocate it to anywhere you need shade, making it a versatile choice for a variety of outdoor layouts. Reach for this Lancaster Table & Seating umbrella to enhance your outdoor space and keep guests happy and comfortable.
