

NOBLE CHEMICAL SIERRA HIGH PERFORMANCE EXTENDED WEAR FINISH

FOR USE ON:

Vinyl tile
Vinyl asbestos
Asphalt tile
Linoleum
Rubber tile
Terrazzo
Sealed wood
Quarry tile

DESCRIPTION:

This high performance, extended wear floor finish provides diamond-like clarity and brilliant gloss.

DIRECTIONS:

If stripping is necessary, use a high quality product and follow directions accordingly. If the floor is in good condition and stripping is not necessary, sweep up excess dirt and dust and then clean with a good quality cleaner to remove dirt and oils. Follow with a thorough rinsing and allow to dry completely.

Spread a liberal coat of finish evenly across the floor with a clean mop or applicator. Allow each coat to dry at least 1 hour before applying the next coat. Two or three coats are desired initially, depending on the condition of the floor and gloss desired.

To maintain, use a high quality floor cleaner and damp mop regularly. Spray buffing or mop-on restoring may also be done after sweeping up loose dirt and dust. Follow directions for each product accordingly.

This product meets the maximum content requirements for Volatile Organic Compounds (VOCs) as established by state and federal regulations.
