PLUG CONFIGURATIONS

All units are supplied from the factory with an electrical power cord and plug attached. These cord assemblies are properly grounded, DO NOT cut or remove the grounding lug.

DO NOT use the unit if the cord assembly shows any signs of damage.

WARNING

For safe and proper operation, plug unit into a properly grounded electrical outlet, with the correct voltage & configuration. If the plug and receptical do not match up, contact a qualified electrician.

FEATURES AND BENIFITS

GENERAL INFORMATION

This equipment is designed and sold for commercial use only by personnel trained and experienced in its operation and is not sold for consumer use in and around the home nor for use directly by the general public in food service locations.

Before using your new equipment, read and understand all the instructions & labels associated with the unit prior to putting it into operation. Make sure all people associated with its use understand the units operation & safety before they use the unit.

INSPECTION

UN-CRATING AND INSPECTING

This unit comes bolted to a skid from the factory (see illustration), the bolts must be removed & legs installed before putting it in use. The glass and legs are packed separately.

Unpack the unit and components from the shipping container. Remove all packing material. If damage is discovered, file a claim immediately with the carrier that handled the shipment. Do not operate the unit if it was damaged during shipping. All shipping containers should be checked for freight damage both visible and concealed. This unit has been tested and carefully packaged to insure delivery of your unit in perfect condition. If equipment is received in damaged condition, either apparent or concealed, a claim must be made with the delivering carrier.

Concealed damage or loss - if damage or loss is not apparent until after equipment is unpacked, a request for inspection of concealed damage must be made with carrier within 15 days. Be certain to retain all contents plus external and internal packaging materials for inspection. The carrier will make an inspection and will supply necessary claim forms.

ASSEMBLY

The unit was shipped fully assembled and ready to plug into a standard outlet specified for its voltage and amp draw, with the exception of the legs and glass. If improper electrical supply is determined, contact a qualified electrician prior to using the unit. Removal and replacement of the power cord and plug will void the warranty. For assistance, contact your local authorized service agent for service or required maintenance.

Before using the unit for the first time, wipe down the exterior with a damp cloth.

*Foot Installation
Euro Models*

*Foot Installation
Classic Models*

LOCATING THE UNIT

To achieve best performance locate the unit in an area where the surrounding air temperature is constant and is a minimum of 70°F (21°C). Areas which are susceptible to active air movements such as open doors, cooling fans etc., should be avoided.

INSTALLATION

These models are equipped for the voltage and wattage indicated on the nameplate. The nameplate is located on the back of the unit. These units are designed to operate on alternating current (A.C.), two wire single phase service only and are equipped with an approved lead in cord set with a three prong grounding type plug.

ELECTRICAL CONNECTION

Once the unit is in position, verify the electrical supply matches the units requirements, located on the rear of the toaster.

DO NOT CONNECT TO ANY OTHER TYPE OF VOLTAGE OR THE MACHINE WILL BE SERIOUSLY DAMAGED.

WARNING DO NOT USE FOREIGN OBJECTS TO REMOVE THE TOAST. DOING SO MAY CAUSE DAMAGE TO THE ELEMENTS OR POSSIBLE LOSS OF LIFE.

OPERATIONS

INITIAL START-UP

Before using the unit for the first time, wipe down the surface a damp cloth using warm water and mild detergent.

OPERATION

The heating elements & lights are controlled by the switch located on the back of the unit. When the switch is turned "ON" the indicator light will turn on and the unit will begin to heat and the shelf light will turn on. Set the thermostat to the desired setting.

CAUTION

CERTAIN SURFACES ARE HOT DURING OPERATION AND CARE SHOULD BE TAKEN WHILE USING THIS UNIT.

Above: Typical control panel of a two shelf merchandiser.

CLEANING

To keep your merchandiser looking new and operating properly follow the following steps on a daily basis.

1. Turn the power off.
2. Remove the product dividers and wash with warm water and mild detergent.
3. Wipe the interior & exterior metal surfaces of unit using a soft damp cloth, warm water and mild detergent.
4. Glass surfaces can be cleaned using a common glass cleaner.
5. Stubborn stains can be removed using a non-abrasive cleaner.

CAUTION

Do not immerse unit in water or hose down with water to clean. Use a damp soft cloth with a very mild soap to wipe down outside of toaster.

MAINTENANCE

LIGHTBULB REPLACEMENT

To replace the bulb, remove the element guard by removing screws, set the screws and guard aside. With unit cool, remove the bad bulb and replace with a NSF standard bulb made for food holding and display area, for replacement bulb contact a qualified Star service agent or call Star parts department at 314-678-6303.

CAUTION

NOTICE Service on this or any other Star appliance must be performed by qualified personnel only. Consult your Authorized Service Agent Directory, call us at 314-678-6303 or visit our website WWW.STAR-MFG.COM for the service agent nearest you.

THOROUGHLY INSPECT YOUR UNIT ON ARRIVAL

This unit has been tested for proper operation before leaving our plant to insure delivery of your unit in perfect condition. However, there are instances in which the unit may be damaged in transit. In the event you discover any type of damage to your product upon receipt, you must immediately contact the transportation company who delivered the item to you and initiate your claim with same. If this procedure is not followed, it may affect the warranty status of the unit.

LIMITED EQUIPMENT WARRANTY

All workmanship and material in Star products have a one (1) year limited warranty on parts & labor in the United States and Canada. Such warranty is limited to the original purchaser only and shall be effective from the date the equipment is placed in service. Star's obligation under this warranty is limited to the repair of defects without charge, by the factory authorized service agency or one of its sub-agencies. Models that are considered portable (*see below*) should be taken to the closest Star service agency, transportation prepaid.

- > Star will not assume any responsibility for loss of revenue.
- > On all shipments outside the United States and Canada, see International Warranty.
- * The warranty period for the JetStar six (6) ounce & Super JetStar eight (8) ounce series popcorn machines is two (2) years.
- * The warranty period for the Chrome-Max Griddles is five (5) years on the griddle surface. See detailed warranty provided with unit.
- * The warranty period for Teflon/Dura-Tec coatings is one year under normal use and reasonable care. This warranty does not apply if damage occurs to Teflon/Dura-Tec coatings from improper cleaning, maintenance, use of metallic utensils, or abrasive cleaners, abrasive pads, product identifiers and point-of-sale attachments, or any other non-food object that comes in continuous contact with the roller coating. This warranty does not apply to the "non-stick" properties of such materials.
- > This warranty does not apply to "Special Products" but to regular catalog items only. Star's warranty on "Special Products" is six (6) months on parts and ninety (90) days on labor.
- > This warranty does not apply to any item that is disassembled or tampered with for any purpose other than repair by a Star Authorized Service Center or the Service Center's sub-agency.
- > This warranty does not apply if damage occurs from improper installation, misuse, wrong voltage, wrong gas or operated contrary to the Installation and Operating instructions.
- > This warranty is not valid on Conveyor Ovens *unless* a "start-up/check-out" has been performed by a Factory Authorized Technician.

PARTS WARRANTY

Parts that are sold to repair out of warranty equipment are warranted for ninety (90) days. The part only is warranted. Labor to replace the part is chargeable to the customer.

SERVICES NOT COVERED BY WARRANTY

1. Travel time and mileage rendered beyond the 50 mile radius limit
2. Mileage and travel time on portable equipment (*see below*)
3. Labor to replace such items that can be replaced easily during a daily cleaning routine, ie; removable kettles on fryers, knobs, grease drawers on griddles, etc.
4. Installation of equipment
5. Damages due to improper installation
6. Damages from abuse or misuse
7. Operated contrary to the Operating and Installation Instructions
8. Cleaning of equipment
9. Seasoning of griddle plates
10. Voltage conversions
11. Gas conversions
12. Pilot light adjustment
13. Miscellaneous adjustments
14. Thermostat calibration and by-pass adjustment
15. Resetting of circuit breakers or safety controls or reset buttons
16. Replacement of bulbs
17. Replacement of fuses
18. Repair of damage created during transit, delivery, & installation OR created by acts of God

PORTABLE EQUIPMENT

Star will not honor service bills that include travel time and mileage charges for servicing any products considered "Portable" including items listed below. These products should be taken to the Service Agency for repair:

- * The Model 510FD Fryer.
- * The Model 526TOA Toaster Oven.
- * The Model J4R, 4 oz. Popcorn Machine.
- * The Model 518CMA & 526CMA Cheese Melter.
- * The Model 12MC & 15MC & 18MCP Hot Food Merchandisers.
- * The Model 12NCPW & 15NCPW Nacho Chip/Popcorn Warmer.
- * All Hot Dog Equipment **except Roller Grills & Drawer Bun Warmers.**
- * All Nacho Cheese Warmers **except Model 11WLA Series Nacho Cheese Warmer.**
- * All Condiment Dispensers **except the Model HPD & SPD Series Dispenser.**
- * All Specialty Food Warmers **except Model 130R, 11RW Series, and 11WSA Series.**
- * All QCS/RCS Series Toasters **except Model QCS3 & RCS3 Series.**
- * All Fast Steamer Models **except Direct Connect Series.**

ALL:

- * Pop-Up Toasters
- * Butter Dispensers
- * Pretzel Merchandisers
(Model 16PD-A Only)
- * Pastry Display Cabinets
- * Nacho Chip Merchandisers
- * Accessories of any kind
- * Sneeze Guards
- * Pizza Ovens
(Model PO12 Only)
- * Heat Lamps
- * Pumps-Manual

The foregoing warranty is in lieu of any and all other warranties expressed or implied and constitutes the entire warranty.

FOR ASSISTANCE

Should you need any assistance regarding the Operation or Maintenance of any Star equipment; write, phone, fax or email our Service Department. In all correspondence mention the Model number and the Serial number of your unit, and the voltage or type of gas you are using.
