

Arctic Air Counter-Top Merchandiser

Shown Model RCT05B. See back page for specifications.

RCT05B Counter-top merchandising cooler features self-closing positive seal door with energy efficient triple pane thermal glass, lock, light, and black exterior.

It's not only easy to see what's inside— it's easy to see why these are such a great buy.

- *Compact Design* — ideal size for today's space-conscious supermarkets and convenience stores.
- *Flourescent Interior Lighting* — safety shielded to insure longer, brighter, shadow-free product illumination.
- *Foamed-In-Place Polyurethane High Density Cell Insulation* — unsurpassed, extra dense insulation, R-factor is one of the highest energy-saving insulation grades on the market.
- *Self-Closing Positive Seal Door* — factory tested. Guaranteed door hinge and torsion spring.

- *Energy Efficient* — requires a minimum of electricity due to superior insulation.
- *Triple Pane Thermal Glass* — three panes of thermal glass provide two air chambers for twice the insulation value which minimize condensation. The high performance glass door will provide the maximum selling area for impulse buying.
- *Adjustable Vinyl Coated Wire Shelves* — durable, heavy-duty shelves are easily installed.
- *Environmentally Friendly* — (CFC free) R134a refrigerant.

These quiet, economical Arctic Air Coolers come with a full warranty:
3 years on compressor, 90 day parts and labor.

MODEL #RCT05B Counter-Top Cooler

Capacity:

Volume Ft ³	5.18	Unit Weight:
