

This Avantco 9 cubic foot commercial chest freezer is perfect for storage of bulk food items at your convenience store, ice cream shop, restaurant, or market! Its durable, white powder coated finish is easy to clean and will provide years of dependable service. Thick wall insulation plus a R134a refrigeration system allow this commercial chest freezer to easily maintain operating temperature of 0 degrees Fahrenheit.

A drain plug allows for easy cleaning and manual defrosting, while four easy-to-install casters enhance the freezer's mobility. A lid lock is included for security. This 9 cubic foot Avantco chest freezer is CE Listed and requires a 120V electrical connection.
