

Highlight all your chilled pies, cakes, and other grab and go desserts with this Avantco FG11 refrigerated four sided glass merchandiser! The Avantco FG11 merchandiser's clear glass sides draw attention to tempting grab and go items to further advertise all of your patron's favorite products. It has a temperature range of 32 to 50 degrees Fahrenheit.

Five adjustable, plastic coated shelves are included to give you complete control over the merchandiser's shelving configuration and accommodate a variety of different sized products.

The Avantco FG11 merchandiser's bottom mounted, 1/2 hp compressor uses R134a refrigerant. Foamed in place polyurethane cell insulation helps maintain interior temperatures, while its cooling fan circulates air quickly throughout the merchandiser to regulate the internal temperature even when the refrigerator's self closing door is opened.

The Avantco FG11 refrigerated four sided glass merchandiser has a 115V, 60 Hz. electrical rating, and is ETL Listed. A NEMA 5-15P plug and 5' 8" cord are included.

### Features

- Self closing door
- 5 plastic coated steel shelves included
- 4 glass sides
- Foamed in place polyurethane insulation
- Available in white
- ETL Listed
