HEATED DISPLAY CABINETS

Drop-in Cabinet

Curved Cabinet

Front Access Curved Cabinet

Cubed Cabinet

Heated Display Cabinets

DESCRIPTION

Vollrath's heated drop-in and countertop display cabinets enhance the presentation of hot food items. Drop-in models have sliding rear doors for easy access for selling, refilling, changing displays and end-of-day cleaning. Countertop cabinets are available with front and rear access or rear access only.

WARRANTY: All models shown come with Vollrath's standard warranty against defects in materials and workmanship. For full warranty details, please refer to the Vollrath Equipment and Smallwares Catalog.

FEATURES

- Inside lighting strips located both at the top of the cabinet and underneath the upper shelf create optimum food display throughout cabinet
- Dual fans circulate air throughout unit to ensure even temperature control
- Triple-glazed front glass gives added strength and insulation
- Drop-in and curved cabinets have two shelves. The cubed cabinet has 3 shelves
- Lift-and-remove rear sliding doors for easy display changes and end of day cleaning
- Digitally controlled thermostat for precise and consistent settings
- 104° - 158° F (40° to 70° C) temperature range
- Drop-in models can also be used as freestanding countertop units
- 6 ft. (1.8 m) 120v cord and plug
- **Note: these items must ship by truck**

CLEARANCE REQUIREMENTS

- Drop-in cabinets require a minimum of 6" (15.2 cm) of non-combustible countertop to support the unit and a minimum of 6" (15.2 cm) clearance on all sides of the drop-in for proper air circulation.
- Countertop cabinets require a minimum of 6" (15.2 cm) between the equipment and any surrounding walls. Surrounding walls must be made of non-combustible materials.
