

Model *Diamond*  
**400<sub>DS</sub>** **Sharpening Stones**

---

**Chef'sChoice® EdgeCrafter® Diamond Stones #400DS:**

The ultimate sharpening stones! 100% diamond abrasives permanently bonded to an ultra-flat steel plate. Ideal grit size for 'single-stone' sharpening. Sharpens any material: stainless steel, carbon steel and much more. Excellent for a wide variety of commercial kitchen knives. Precision-built solid hardwood box with cover protects stone when not in use. Rubber feet secure stone to work surface. Available in three sizes: 2" x 4", 2" x 6", 2" x 8". Engineered and assembled in the U.S.A.
