KITCHENAID® SAUSAGE STUFFER PROVIDES A QUICK AND EASY WAY TO CREATE DELICIOUS, HOMEMADE SAUSAGE

SAUSAGE STUFFER — SSA (requires Food Grinder Attachment to use)

The Sausage Stuffer Attachment makes it a snap to produce fresh sausage from scratch. Two stuffing tubes are included; a small stuffing tube to make small breakfast sausage, and a large stuffing tube to prepare larger varieties, such as Bratwurst, Italian or Polish sausage. Instruction guide includes tips and recipes.

FOOD GRINDER ATTACHMENT — FGA (sold separately)

Two stainless steel grinding plates, fine and coarse, are included with the Food Grinder Attachment. Grind raw or cooked meat and dried bread using the fine plate. The coarse plate is used to grind firm vegetables, dried fruits, cheese and raw or cooked meat. In addition to the grinder body and plates, the attachment comes with a combination food pusher/wrench to help safely push foods into the grinder as well as to help loosen the ring from the grinder body. Instruction guide includes tips and recipes.

EASY TO USE

The Sausage Stuffer easily attaches to the Food Grinder Attachment. The KitchenAid® Stand Mixer powers the Food Grinder, leaving both hands free to work with the sausage meat.

EASY TO CLEAN

All parts of the Sausage Stuffer Attachment are dishwasher safe.

VERSATILE

KitchenAid® Stand Mixer Attachments are designed to work with all models of KitchenAid® Household Stand Mixers.
