

# MOUNTED PATIO HEATERS

CV-IH-3300-B, 3300-SS

Project: \_\_\_\_\_  
 Item #: \_\_\_\_\_  
 Quantity: \_\_\_\_\_

Our electric mounted heater offers a compact solution for all your outdoor heating needs. The Short Wave heaters are unique in their ability to produce both infrared heat and visible light energy. The source of this energy comes from short wave electric lamps encased in an aesthetically pleasing enclosure. Operational benefits include a highly efficient energy transfer, lower mounting heights, heat energy and light energy. These heaters are ideal for patios, valet waiting areas, hospital and airport entrances, smoking and waiting areas, and many more.
