Vertical Masticating Juicer

Model **VRT370HDS/VRT380HDC** Vertical Masticating Juicer

The VRT370HDS/VRT380HDC Omega VERT Models are revolutionary low speed squeezing juicers featuring the high efficiency of a masticating style juicer in a vertical design. The VERT is designed to be compact, contemporary and productive. With the VERT, form and function combine to give you the highest degree of extraction and the healthiest possible juice. The Omega VERT models feature an innovative auto cleaning system that keeps the screen clear during juicing, increasing its efficiency. The sturdy handle makes lifting easier and more convenient.
