Vitamin C (%)	0	0	0	0	0

The above data was obtained from 12 random production samples. The 12 samples were organized into 3 subsamples (each consisting of 4 of the original 12 samples) and were then analyzed. The results noted above are the average values of the 3 composite samples analyzed. (Samples were analyzed at an outside independent laboratory.)

If you have questions on the above please contact Raymond Smith, Quality Director at (952) 896-0426.
