Specifications for: **CANNED APPLE PIE FILLING**  
Knouse Identification Code: FPFR0100 (30005)  
Effective: September 2008

Product Description:

A heat processed blend of blanched apple slices and other ingredients that can be used as a pie filling or as the fruit component in other dishes.

The apples are peeled, cored, sliced and carefully inspected. After vacuumization and blanching, the slices are filled into washed containers. The remaining ingredients are added as an aqueous blend by means of a prevacuumizing syruer. After closure under vacuum the product is processed in an agitating cooker and then cooled with agitation in chlorinated cold water.

Knouse Foods products are packed under the supervision of the Orthodox Union and are certified as kosher when bearing the **U** symbol on the label.
