**Specifications for: "NO SUGAR ADDED" APPLE SAUCE in 104 OZ CANS**

Knouse Identification Code: FASU8110 (31004)

Effective: August 2008

Product Description:

"No Sugar Added" Apple Sauce shall be packed in accordance with Good Manufacturing practices and shall comply with the FDA Standard of Identity, Part 145.110, Canned Apple Sauce, of the Code of Federal Regulations, Title 21, and to all applicable USDA, state and local regulations. This sauce is sweetened with Sucralose (**Splenda®** Brand), a non-nutritive sweetener, and has 40% fewer calories per serving than our regular apple sauce.

"No Sugar Added" Apple Sauce is prepared from a blend of sound processing varieties of apples. The fresh apples are washed, inspected, peeled and cored, inspected again, and chopped. The chopped apples are then mixed with water and cooked in a continuous operation. The cooked apple pulp is passed through a stainless steel screen to give grainy finish to the sauce and then is blended with the Splenda®. The hot product is filled into containers, sealed, and quickly cooled.

Knouse Foods products are packed under the supervision of the Orthodox Union and are certified as kosher when bearing the **(U)** symbol on the label.
