

CARPET CARE

EXECUTIVE
SERIES™

SMART DESIGN. TRUSTED EXPERIENCE.

INTRODUCING EXECUTIVE SERIES

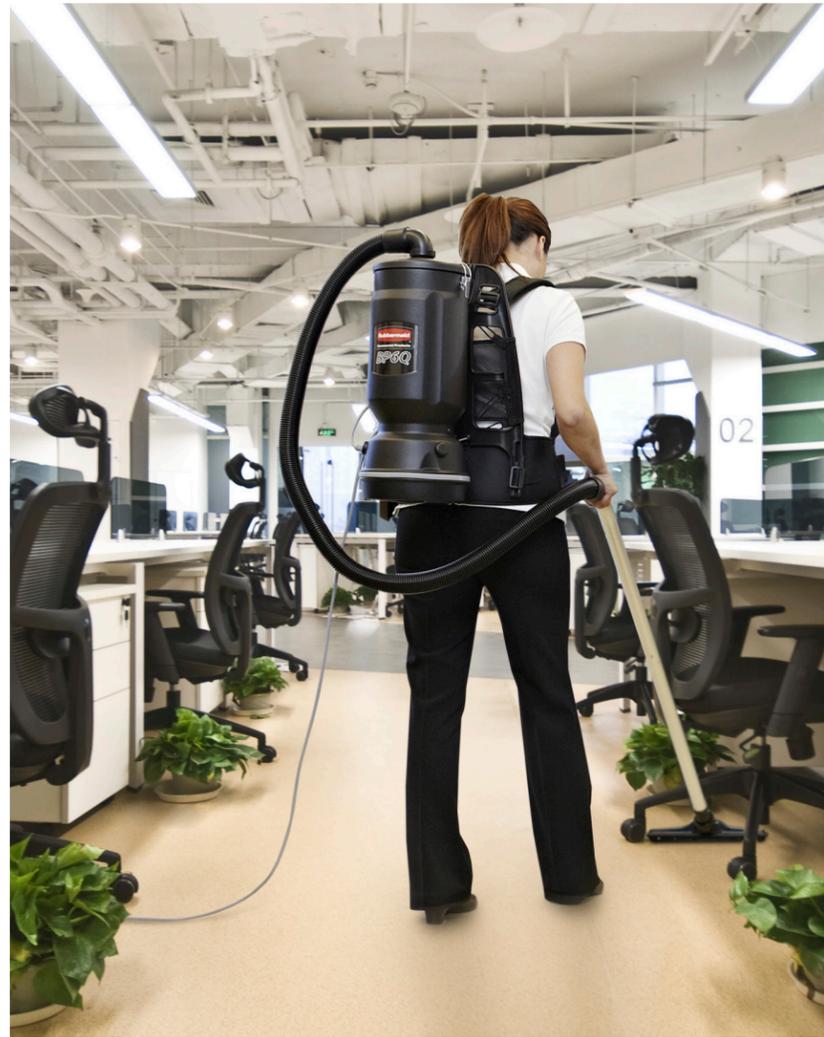

Around the clock, 365 days a year, your staff works to provide rest and relaxation to a highly diverse guest list. Maintaining a clean, comfortable, and quiet stay is essential to their enjoyment and your success.

Rubbermaid Commercial Products introduces a new line of carpet care solutions that will help extend the life of floors, carpeting, rugs, and mats, while reducing dust and allergens. Each carpet care product has been thoughtfully engineered to:

- *Improve air quality with advanced filtration*
- *Operate quietly to allow staff to work discreetly*
- *Blend into the environment with an attractive color scheme*

Discover your ideal vacuum cleaner or mechanical sweeper on the following pages. Upgrade to Executive Series today and witness innovation in action.

SMART DESIGN. TRUSTED EXPERIENCE.

EXECUTIVE SERIES VACUUM FEATURES

Upgraded features for dusting and carpet care.

Improved Air Quality

Innovative 5-Layer Filtration traps fine particles. For even greater filtration, upgrade to HEPA bags and filters to capture particles up to 300 times smaller than human hair.

Quiet Operation

Operating at only 65–70 dBA, Rubbermaid Vacuum Cleaners' low decibel levels make for quiet cleaning day and night.

Detachable Power Cord

All Rubbermaid Vacuum Cleaners feature an innovative detachable power cord for quick and easy change-out and a cord restraint to protect the vacuum motor.

MANUAL- AND POWER-HEIGHT UPRIGHT VACUUMS

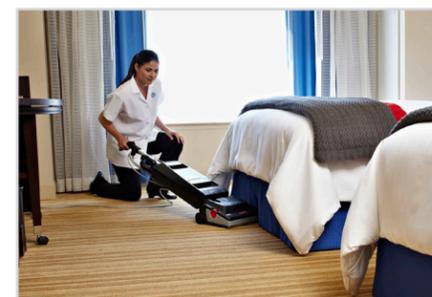

Combine powerful motors and wide cleaning paths for efficient cleaning of high-traffic areas. Both Manual- and Power-Height Upright Vacuum Cleaners support day and night cleaning, all with these standard features:

- **VISUAL LIGHT INDICATORS** make cleaning more effective and efficient, telling the user when to replace the bag or to check for a clog or brush roll jam
- **ELECTRIC BRUSH ROLL JAM SENSOR** shuts down motor to clear vacuum cleaner of socks, rags, or other items; motor is ready to operate immediately—no waiting for motor to cool
- **QUICK-CONNECT POWER CORD** includes a 40' heavy-duty detachable extension cord
- **QUIET OPERATION** supports day and night cleaning in noise-sensitive environments (67.7 dBA)
- **LEED POINT-QUALIFIED** with CRI Seal of Approval and under 70 dBA quality

Easy Clog Removal

Be back to work in minutes, with easy-access clog removal using the lower hose.

Flat-to-Floor

Position allows user to vacuum under beds and other furniture.

EASY TO EMPTY

Highly efficient filtration bags are easy to remove and replace. Optional HEPA Filtration Kit is also available (FG9VMHHP12).

ONBOARD ATTACHMENTS

Include extension wand and hose for extended reach, and crevice tool and bristled upholstery brush for more detailed cleaning.

HEIGHT ADJUSTMENT

Power-Height automatically adjusts vacuum height for your convenience, while Manual-Height's control dial allows for easy height adjustment with four height options.

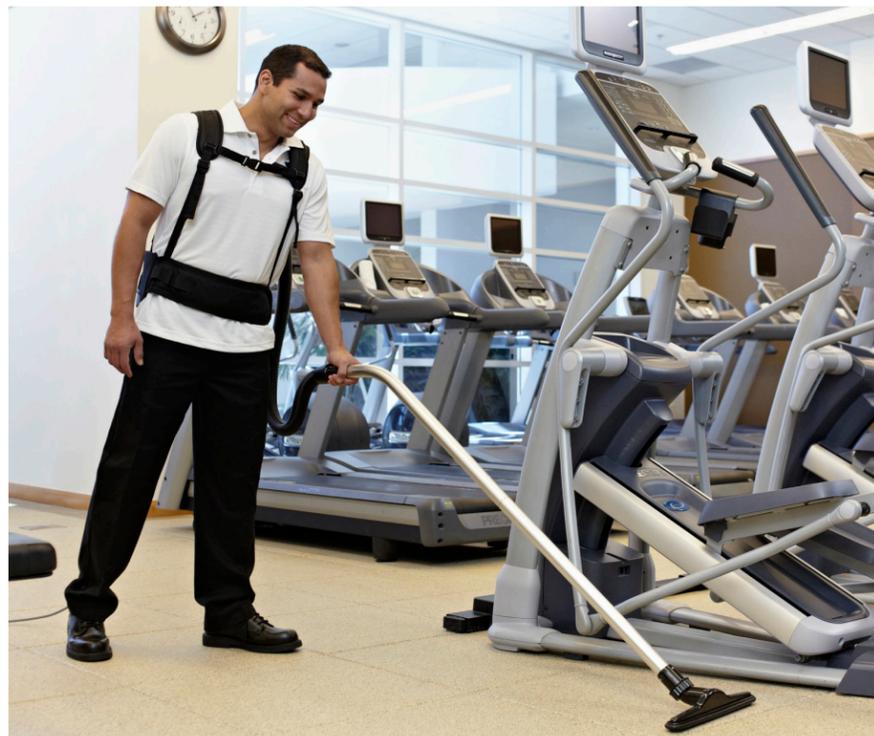

TWO INDEPENDENT MOTORS

Provide single-pass cleaning performance.

1868440 12" Executive Manual-Height Upright Vacuum Cleaner

Efficiently and quietly clean while maneuvering around obstacles. Innovative frame design keeps motor and its heat away from the body while promoting airflow and comfortable use.

- **SUPERIOR AIRFLOW AND SUCTION** with 110 CFM and 100" water lift efficiency clean carpets and hard surfaces
- **SWIVEL-HEAD NOZZLE** allows for easy maneuvering around chairs, tables, and other furniture
- **LIGHTWEIGHT** with a narrow profile for exceptional mobility
- **SEALED VACUUM BAGS** prevent dust and allergens from escaping into the air
- **QUIET OPERATION** (66 dBA) is perfect for noise-sensitive environments and day and night cleaning
- **LEED POINT-QUALIFIED** with CRI Seal of Approval and under 70 dBA quality

FG9VBPHA06 – BACKPACK HARNESS

Enhance productivity with the ergonomic design sporting adjustable, extra-thick cushioned harness to ensure airflow around backpack so user stays cool.

ONBOARD ATTACHMENTS INCLUDED

2-piece wand, crevice tool, floor tool, dusting brush, floor nozzle, hose adapter, and upholstery tool.

1868433 Executive 6-Qt. Capacity Backpack Vacuum Cleaner

ADJUSTABLE HARNESS
Allows strap adjustments to accommodate different users.

HARD-MOUNTED CORD RESTRAINT
Prevents cord damage and strain.

EASY-TO-REACH CONTROLS
On/off switch is mounted on the top within easy reach of the operator.

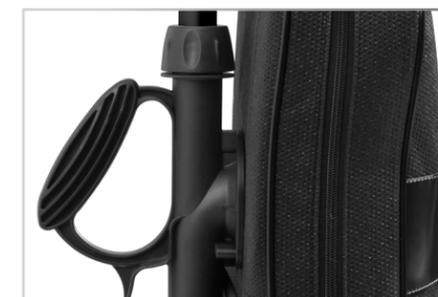

Lightweight vacuum with outboard wheels allows users to pull the vacuum behind them, making it easier to transport and reducing worker fatigue.

- **SUPERIOR SUCTION** of 100" water lift with minimal energy use—at only 4 amps of voltage
- **LIGHTWEIGHT** at only 9.7 pounds
- **FLAT-TO-FLOOR POSITION** allows user to vacuum under beds and furniture
- **COMFORT-GRIP HANDLE** makes transport quick, easy, and hassle-free
- **REAR WHEELS** make it easy to maneuver around furniture and other objects

Flat-to-Floor

Position allows user to vacuum under beds and other furniture.

Easy-Carry Handle

Ergonomically designed, center-balanced handle makes lifting and carrying easier for the user.

FINGERTIP CONTROL
Easy-to-reach on/off control for safety and convenience.

FLOATING NOZZLE
Enables cleaning for rugs, mats, and low-pile carpet.

TOP ACCESS FOR DUST BAGS
Makes changing bags quick and easy.

SIDE-SWEEPING BRISTLES
Helps remove dust and dirt from crevices where baseboards meet the carpet.

1868622 Executive 12" Ultra-Lightweight Upright Vacuum Cleaner

TRADITIONAL UPRIGHT VACUUM CLEANERS

Steel Bottom Plate

Designed for increased durability.

Top-Fill Bags

Help to prevent clogs and improve motor life.

Durable and easy to maintain, the Traditional Upright Vacuum Cleaner six-position carpet-height adjustment allows for deep cleaning every time.

- **6-POSITION** carpet height adjustment
- **EASY TO MAINTAIN**—simply flip two switches (no tool required) on the steel bottom plate to replace belt or brush roll on the spot, eliminating lost service time
- **LARGE BAG CAPACITY** of 13.75 quarts for more cleaning with fewer bag changes

MECHANICAL SWEEPERS

CONVENIENT THREADED HANDLE

Allows for easy disassembly and compact storage.

RUBBER AGITATOR ROLLS

Two rolls provide maximum cleaning power to collect dust, dirt, and debris.

QUICK-VIEW WINDOW

Easily helps the user see when it's time to empty. Only available on the Brushless Mechanical Sweeper.

A complete line of compact commercial sweepers for hard floors and carpet to collect dust, dirt, and debris in tight spaces.

- **CONSTRUCTED** of durable galvanized steel and tough ABS plastic
- **LOW-PROFILE DESIGN** provides easy access around and under furniture
- **SOFT RUBBER WHEELS** glide easily on any surface
- **EASY-TO-EMPTY** dirt trays make cleaning efficient and mess-free

FG421388BLA Executive Dual-Action Bristle Mechanical Sweeper

FG421288BLA Executive Single-Action Basic Mechanical Sweeper

FG421588BLA Executive Dual-Action Brushless Mechanical Sweeper

SMARTER SUSTAINABILITY

CRI SEAL OF APPROVAL

The Carpet and Rug Institute (CRI) helps your staff do their job better—the first time. To receive the seal, vacuum cleaners must pass the following independent laboratory tests:

- **SOIL REMOVAL:** NASA-enhanced x-ray fluorescence technology measures the precise amount of soil removed from carpet
- **DUST CONTAINMENT:** Keep dirt and dust locked tight in the vacuum cleaner—not escaping back into the air
- **CARPET FIBER RETENTION:** Must not affect the texture of the commercial cut-pile carpet (in 900 passes)

LEED CERTIFICATION POINTS

Rubbermaid Commercial Vacuums can contribute to earning one point towards LEED Certification (EQ Credit 3.7):

- Implement a janitorial equipment program that reduces building contaminants and minimizes environmental impact. The cleaning equipment program must require the following: vacuum cleaners certified by the Carpet and Rug Institute (CRI) "Green Label" Testing Program for vacuum cleaners and operate with a sound level of less than 70 dBA.

UL CERTIFICATION

Rubbermaid Commercial Vacuums are UL® Listed in both the United States and Canada.

UL is a global independent safety science company offering expertise across five strategic businesses: Public Safety, Environment, Life & Health, Verification Services, and Knowledge Services.
