

PAN WHIZ

Butter Alternative

The closest thing to butter without using butter!

If butter or margarine are not for you, try Pan Whiz, a great substitute for either one! It gives you the same delicious, buttery taste found in the real thing.

Look at the features & benefits and give it a try!

- *This has become a popular alternative in the food service industry.
- *Ready-to-use liquid is easy to store and requires no refrigeration!
- *So convenient to use, it requires no clarifying or reducing.
- *Lower in cost than butter so you save money too!
- *Does not spit, burn or discolor pans in normal use.
- *Can be used in a wide variety of cooking applications: shallow frying, grilling, roasting and as a recipe ingredient. Anywhere you need to use butter or margarine, you can use Pan Whiz!
