

**UP TO 600°
HEAT RESISTANCE!**

ORKA Mitts

The Ultimate in Kitchen Protection & Convenience!

- *Take hot dishes out of the oven.
- *Move frying pans around the stovetop.
- *Lift cooked items off the barbecue.
- *Remove eggs from boiling water.
- *Remove onion rings from a deep fryer.

IT DOES IT ALL!!

Throw in the Towel!

The Orka Pro Silicone Oven Mitt is the new and better way to handle all of your hands on kitchen needs! With unlimited protection and incredible flexibility, the heavy gauge construction will become your new "workhorse" around the kitchen!

Look at what all the ORKA has to offer, then try it for yourself!

- ***Heat resistant to 600°F** providing protection from boiling water, scalding steam, hot oil and spattering grease!
- ***Waterproof** and industrial dishwasher safe.
- ***Slip-resistant** design.
- *Non-porous, **will not stain**, discolor or harbor bacteria.
- ***One size fits all** and fits either hand; two provide twice the protection!
- *Available in 11" and 17" lengths for a choice in protection.
