This two door, white glass door merchandiser is the perfect way to increase impulse sales at your convenience store, market, or deli. The merchandiser's clear glass doors draw attention to tempting grab and go frozen products like ice cream, frozen pizzas, or popsicles. It has a temperature range of 0° to 5° Fahrenheit.

Eight plastic coated steel shelves are included. Adjustable mounting brackets give you complete control over the merchandiser's shelving configuration, to accommodate a variety of different sized products.

The merchandiser's bottom mounted, 1 hp compressor uses R404a refrigerant. Foamed in place polyurethane cell insulation helps maintain interior temperatures. A top mounted cooling fan circulates air quickly throughout the merchandiser, regulating the internal temperature even when the freezer's self-closing doors are opened.

The double door white glass door merchandising freezer has a 120V, 12.8 amp, 60 Hz. electrical rating, and is ETL Sanitation Listed and NSF Compliant.
