

MERCER®

Innovations for Chefs®

Triple Diamond™ by Mercer

Introducing **Triple Diamond™** by Mercer, a three-stage knife sharpener with 100% diamond abrasives and ultra-fine stropping stage for an astonishingly sharp edge in seconds. Use to sharpen all knives, straight edge and serrated – kitchen knives, butcher knives, cleavers, even pocket and sporting knives – extends their useful life! This NSF certified knife sharpener is extremely safe and easy to use –no special training required. Powerful high speed motor and precision guides guarantee perfect results every time. Knife edge stays sharp up to 3 times longer –patented triple bevel edge lasts and lasts!

Mercer—a company name highly regarded in the culinary trade—is synonymous with quality, professional cutlery. A leader in the commercial market for more than 30 years, and the predominant supplier to culinary academies in North America, Mercer brings you the finest tools used in the industry.
