***The ultimate in countertop
hot food merchandising!
Up to the minute styling with
traditional Merco efficiency
and quality.***

*Model ES-3-3P
Shown with Standard Pan Racks
(pans optional)*

Standard Features

Merco's patented EZ-Insert type heat tubes in top and middle shelves with insulated heat cable base unit – Individual, infinitely adjustable heat controls for all three levels – Pilot lights – Bright incandescent illumination in top and middle shelves with on/off switch – Stainless steel work surfaces – Adjustable 4-inch NSF legs – Removable, sliding glass doors on cook side – One-piece curved front glass – Pan racks (pans optional) – 6-foot cordset.

Merco Euro-Series Hot Food Merchandisers feature stylish good looks combined with Merco's traditional high quality construction and efficiency for the ultimate in countertop hot food merchandising. The unique cantilevered two-level design holds and displays a wide variety of product. The infinitely adjustable heat controls let you dial-in the perfect temperature to keep any food at its peak of flavor without continued cooking or excessive drying. Removable, sliding glass doors on cook-side for easy access. Pan racks are standard and a 6-foot cordset is provided for easy plug-in installation. The dramatic curved front glass and bright incandescent illumination displays food at its best to increase sales.
