

INSECT KILL

PROFESSIONAL ZAPPER FLYLITES

Insectakill 30,40, & 80W

CZP, the innovative newcomer to the booming American Insect Light Trap market, introduces the new Insectakill zapper. This range of premium "electrocuting" flytraps is ideal for sensitive areas where effectiveness and ease of maintenance are a top priority. Available in three sizes to meet every need, this range is fully constructed in either white metal or the highest quality stainless steel. Constructed with the specific needs of industrial and commercial users in mind, there is not a more effective and versatile line currently available.

The ZAPPER is perfect for:

- Industrial plants and factories
- Warehouse
- Compactor rooms
- Loading docks
- Hospitals
- Dumpster areas
- Certain agricultural areas
- Office buildings
- All industrial & commercial premises that require a pest free zone without excessive maintenance

Features

- Available in 30, 40 and 80 Watt models
