Electrical	(2) 40 Watt Bulbs
Voltage	120V

Description

The Zap N Trap 80 watt stainless steel insect trap effectively kills bugs over a 3,000 square foot area. It is ideal for commercial and industrial applications, and features a narrow space-saving design that makes it easy to mount in many locations. The tray is required for operation and must be firmly inserted and pressed down to lock into place. Once locked, the zapper may be turned on.

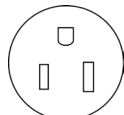

This unit is great for use in many establishments, including:

- Commercial kitchens
- Food preparation areas
- Bakeries
- Schools
- Hospitals
- Warehouses
- Supermarkets
- Convenience stores
- Office buildings

Warranty:

All Zap N Trap Insect Trap Zappers are backed by a six (6) month replacement warranty.

NEMA 5-15P

Compatible ZAP N TRAP Replacement Parts:

24" Straight Tube 40 Watt UV Bulb Replacement
