

# Z-210

## 20" AUTO SCRUBBERS

### UNIQUE, 340 RPM DUAL-DISK SCRUBBER DELIVERS HIGH-PERFORMANCE CLEANING

When cleaning is your job and performance is your focus, the Z210 scrubbers get the job done – at a price you can afford.

**A** Highest brush rpm in in its class - up to 120% more than competition

**B** No hassle empty/fill – drain hose & fill port in front

**C** Highest maneuverability with shortest wheel base in its class

**D** Unique 20" dual disk head – better performance on uneven or tiled floors

### APPLICATIONS:

The Z210, available in pad assist or traction drive versions, is a highly flexible tool for your cleaning regimen. The compact size and unique dual-disk head is Purpose Built™ for:

- Daily scrubbing of smaller facilities
- Small rooms, detail & edge cleaning in medium and large facilities
- Grout and porous floor scrubbing
- Entry-ways & lobbies
- Check-out aisles
- Spill clean-up & water recovery
- Use on uneven floors (dual-disk head)
