

EUROPEAN STYLE SAUSAGE STUFFERS

These manual sausage stuffers offer a wide selection of sizes and configurations for residential and commercial applications. The cylinders and feet of all models are made of stainless steel. The standard models have enameled steel sides. The S.S. models are in stainless steel. Models 5K and larger feature a two speed gearing to drive the piston. All models are supplied with a selection of stuffing funnels. The 5XS features a unique bayonet design allowing for quick changing of funnels. Made in Italy.

Model 3M
