

WIDE BASKET DOLLY

PURPOSE

The Wide Basket Dolly cart system is recommended to be used in central commissaries, satellite, and finishing kitchens to direct-serving counters. The dolly cart is designed to fit most narrow roll-in freezers and refrigerators. See dimensions for allowances.

EASY-TO-USE

The adjustable shelving is designed to allow operator maximum capacity, deep shelving, and plans for different narrow configurations. It is built on 5-inch casters for easy mobility and includes two locking casters. It is basin designed to catch excess moisture, has a double-sided locking gate to secure pans during transport, and includes a plug for easy draining.

DURABLE

Built to last with quality craftsmanship, high grade corrosive-resistant stainless steel, and rugged construction. It is easy to clean.

WARRANTY

One-year limited warranty covering materials and labor.

**WIDE BASKET DOLLY
