

Camchiller™ Cart

Models CPC13134, CPC13134A

Features & Benefits

StoreSafe

- Specially designed to safely store, transport and merchandise a wide variety of chilled menu items to increase sales in any location - off-premise catering, cafeterias, stadium concessions and snack stands.
 - Can be used to serve chilled beverages, sandwiches, salads, to-go meals, yogurt and desserts.
 - Stores and transports product in four standard 13" x 13" (33 cm x 33 cm) crates.
 - Double-wall, high density, polyethylene construction is extremely durable and impact-resistant. Will not dent, crack, bubble, chip or break. Can be wiped or steam cleaned.
 - Thick polyurethane foam insulation adds structural strength and helps to retain food quality and temperatures without the use of external electrical sources.
 - Seven Camchillers® are included and keep contents cold for hours. Tests demonstrated that 8-ounce (0,24 L) cartons maintained refrigerator-level temperatures for over 24 hours.
 - Durable, insulated door folds back half way or completely for merchandising or service while still keeping contents cold. Can be completely removed for cleaning.
 - Ergonomic molded-in handle on one side is extra sturdy and provides comfortable and easy transporting over the roughest terrain.
 - Four swivel casters, 2 w/ brake for smooth transport across floors, carpet, cement or grass.
- Model CPC13134** - Four each 3" (7,6 cm) heavy-duty, swivel casters, 2 w/ brake. Bolted onto molded-in insert steel plates.
- Model CPC13134A** - Two each 5" (12,7 cm) heavy-duty, swivel casters, 2 w/ brake. Bolted onto molded-in insert steel plates.
- Non-electrical.
 - No assembly required.
 - Available in 13 colors.
