## Designed Smart

APW Wyott Heavy Duty Cookline Stands are made of stainless and galvanized steel and are available from 18" to 72" sizes, designed to hold individual or multiple units of Heavy Duty Cookline.

Stainless steel top shelf is designed with a 1 3/4" lip to prevent equipment from sliding off back, front and sides.

Equipment stands are designed to raise the Heavy Duty Cookline to the most convenient cooking heights.

One inch "bullet feet" are adjustable and convertible to optional casters.

All tables shipped "knocked down" and are easily assembled.

## APW Wyott Design Features

- 304 Series stainless steel top shelf
- Heavy Duty galvanized steel legs and bottom shelf
- Bottom shelf is adjustable
- Adjustable legs
- 1 3/4" lip around full perimeter

Model Heavy Duty Cookline Stand

## Built Solid

- Heavy duty 16 gauge 304 series stainless steel top
- Heavy duty galvanized steel pipe legs for strength and durability (1 5/8" diameter)
- 5" rubber casters have 200 lbs. weight per caster strength (800 lbs per table)

## Options:

- 5" Hard rubber caster kits (#22800)

## Reliability backed by APW Wyott's Warranty
