

# STEAM TABLE ADAPTER PLATES

**SERVIT** HOLD IT  
HEAT IT  
MOVE IT

**These Servit steam table adapter plates makes it easy to adapt your steam table or warmer to fit the changing needs and menus of your establishment!**

- Designed to securely fit in standard hot & cold wells, warmers, steam tables and chafers
- Ensures easy serving of sides, sauces, and desserts at buffets and catered events
- Made of durable stainless steel to promote longevity
- Allows for round inserts to fit in a square steam table pan opening
- Multiple-sized holes make it versatile for different insert sizes
