

"Slicing is a breeze for me now"

7 1/2" Bread/Slicer

This knife provides an easy, safe, and comfortable way to slice sandwiches, bread, tomatoes and other vegetables as well as fruits. The blade's edge features specially designed scallops that form super sharp cutting edges. The cutting points help retain the knife's sharpness.

- The ultra-soft, right-sized and textured handle makes it very easy to grip the knife securely.
- Scalloped edge increases ability to cut through a variety of surfaces, without losing sharpness.
- 7 1/2" blade ideal for slicing bread, tomatoes, fruits and cooked meats as well as slicing sandwiches.

DUOGLIDE™

The NEW way to cut.

DuoGlide is a complete line of cutlery providing "The NEW way to cut" – with precise control and reduced wrist, arm or hand discomfort thanks to soft, textured grips. We've combined our renowned blade technology with an ultra-soft, right-sized handle that can be gripped in several ways for more comfort and control. Now you can cut, chop, or slice with greater comfort and less fatigue.

Dexter Lifetime Guarantee: Dexter products are guaranteed to be free from defects in material and workmanship for the life of the product. For service please contact our Customer Service Department at 1-800-343-6042.

Dexter recommends carefully hand washing all fine cutlery immediately after use with a mild soap and warm water, then rinse and thoroughly dry them with a soft towel.

DUOGLIDE™

The NEW way to cut.

Superior Comfort & Control

DuoGlide knives combine ergonomic, state-of-the-art designs and today's most advanced technology to give you a more precise, more comfortable way to cut – The NEW way to cut.

“The most comfortable knife”

8" All-Purpose Chef's Knife

The All-Purpose Chef's Knife is an essential tool in every kitchen. Whether used for cutting, slicing, or worked in a rocking motion for chopping, the unique design will make it your go-to knife for ease and versatility.

- The ultra-soft, right-sized and textured handle makes it very easy to grip the knife securely.
- The unique design positions your hand directly over the food to be cut to allow for greater control and minimal effort.
- Duo-edge Technology allows ultra-thin, non-stick slicing.
- The most versatile knife for chopping, dicing, mincing, or slicing fruits, vegetables and other ingredients.

“Makes cutting easy again”

5" Utility Knife

With a wide blade that enhances control, the DuoGlide 5" Utility Knife is perfect for small jobs that used to seem monumental. It's ideal for slicing, dicing, and chopping parsley, vegetables, fruit, and other ingredients.

- The ultra-comfortable handle is sized to “feel right” in your hand and has the soft, sure-grip texture featured on all DuoGlide knives.
- The unique design positions your hand directly over the food to be cut to allow for greater control and minimal effort.
- Duo-edge technology allows ultra-thin, non-stick slicing.
- Ideal for slicing, dicing, and chopping parsley, vegetables, fruit, and other ingredients.

“Great control with little effort”

3 3/8" Paring Knife

The paring knife is a staple in every kitchen. Ours will quickly become your favorite tool. It has a sharp, precision-ground blade that will easily cut through any material. It's made from high-carbon stainless steel, so the cutting edge will retain its sharpness. Cleanup is a breeze too. Once you hold our Paring Knife in your hand, you'll never want to put it down.

- The ultra-soft, right-sized and textured handle makes it very easy to grip the knife securely.
- The wide blade design enhances control.
- The ideal tool for peeling, trimming, slicing and garnishing small fruits and vegetables.
