

## Efficiency, economy and performance in one package

One of the most economical radiant tube heaters on the market for heating distribution and production facilities. Built using Schwank's low cost heating system design, the **builderSchwank** energy efficient heater provides comfort and a quick payback period.

### Also Available in 2-Stage [SET] Model

Schwank 2-Stage builder series heater adjusts heat output to meet changing heating needs. This heater lowers energy consumption and increases equipment life by reducing ON-OFF cycles by up to 35%.

**Experience Counts:** Schwank is the worldwide market leader and most trusted brand with over 2 million heating appliances sold.

## Features

- Line voltage and 24 volt thermostat ready
- Whisper-Jet technology makes heater extremely quiet
- Easy access to "clamshell" burner box
- Reflector & end caps improve IR heat
- Emissive coated tubes

### Optional Accessories [See back for more details.](#)

- Air Intake Wall Cap
- Horizontal Flue Vent Terminal
- Elbow Kit
