

Compatibility Notes

#351302170058

MODEL	NOTES
S60-N	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195) and the oven pilot natural gas (35128051088)
S60-L	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195), oven pilot liquid propane (351302130447), and fixed plate (351228080018)
S60-GS24-N	f retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195) and the oven pilot natural gas (35128051088)
S60-GS24-L	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195), oven pilot liquid propane (351302130447), and fixed plate (351228080018)
S60-G24-N	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195) and the oven pilot natural gas (35128051088)
S60-G24-L	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195), oven pilot liquid propane (351302130447), and fixed plate (351228080018)
S36-N	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195) and the oven pilot natural gas (35128051088)
S36-L	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195), oven pilot liquid propane (351302130447), and fixed plate (351228080018)
S24-N	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195) and the oven pilot natural gas (35128051088)
S24-L	If retrofitting old style thermocouple 302170045, you must also order the brass fitting (351302140195), oven pilot liquid propane (351302130447), and fixed plate (351228080018)
