#10 Crushed Tomatoes

MFR. #:	F12261 (Active)												
PRODUCT DESCRIPTION:	Crushed Tomatoes without basil, canned by Furmano Foods, is processed from fresh whole tomatoes washed and sorted to remove poor quality fruit. We chop and run the tomatoes through a pulper with screens that are large enough to maintain some texture and product identity. The tomatoes are then concentrated to the desired consistency. Product of US.

NOTE: The U.S. Food and Drug Administration has finalized a new Nutrition Facts panel that will make it easier to make informed food choices that support a healthy diet.

Furmano's is currently in the process of updating our can labels to reflect the new nutritional facts label. While we are in transition you may notice some discrepancies between nutritional information found on the label and the product specification. This transition will be completed by January 1, 2020 to meet FDA requirements. Please feel free to contact us with any questions or concerns while we are in transition.
