Product Description

Distinctly unique, Pillsbury(TM) Twirls are made with a biscuit-like dough that bakes to a flaky, golden brown with a moist, tender center flavored with a sweet, caramel filling. They are 5 oz in an easy, freezer-to-oven format.

Benefits

Unique biscuit-like dough in a caramel flavor differentiates from traditional cinnamon rolls, and delivers a scratch made appearance. Freezer-to-oven format requires no thawing or proofing. Just place and bake for convenient back-of-house preparation. Bulk packaging of 100 units per case, which works great for large operations.

Storage Instructions

KEEP FROZEN. Twirl dough is not ready-to-eat and must be thoroughly cooked before eating. To prevent illness from naturally occurring bacteria in wheat flour, do not eat raw dough; wash hands and surfaces after handling.

**Preparation**

BAKE : Place frozen rolls on tray lined with parchment paper. Baking times will vary by oven type and oven load. Products will be done when baked golden brown or when center curl springs back when lightly touched. For easier removal of baked rolls: spray parchment paper with pan release before placing rolls on tray. Product may be glazed while still hot. Best if served warm.
