PREMIUM JAPANESE
MATCHA

Pure Matcha, Crafted for the Modern Café

From the heart of Japan, Matcha Rio begins in Kagoshima, a region known for producing beautiful, vibrant matcha. Guided with in-house oversight from cultivation through stone milling, Barista Blend is crafted for a smooth, clean foundation that stays true in the cup and dependable behind the bar.

Where Craft Meets Creativity.

Co-Founder, Rio Miura helped build David Rio in San Francisco with a simple belief: great drinks should make life easier for café operators – and feel welcoming for every guest. Inspired by Omotenashi, the Japanese spirit of wholehearted hospitality, Matcha Rio brings premium Japanese matcha into the modern café with sincerity, respect, and barista-ready performance.
