Ingredient Declaration: Lard, and Hydrogenated Lard with Tocopherol and BHT added to help protect flavor.

* Container	Servings per container
50 LB	1.746

The Fatty Acid nutritional analysis was determined using AOCS method Ce 1h-05, which complies with regulation CFR 21.101.

The total fat percentage is expressed as triglyceride and the fatty acid percentages are expressed as free fatty acids. The total on the individual fatty acids may not equal total fat percentage due to the exclusion of the glycerol backbone in the fatty acid calculation.
