

UPDOG

Updog is the only truly Chicago-style vegan hot dog with snap! Made with quality ingredients, these soy-free hot dogs feature an algae-based coating and unique curing process that gives them their signature flavor and texture.

Cooking Instructions: Don't remove the casing—that's where the magic happens! Grill, or cook on stovetop (recommended) 5–6 minutes, turning occasionally, until heated through. We don't recommend boiling or steaming, as this will remove the casing.

Ingredients: Water, Vital Wheat Gluten, Canola Oil, Wheat Flour, Apple Cider Vinegar, Sea Salt, Paprika, Onion, Potassium Chloride, Spices, Garlic, Calcium Alginate, Natural Hickory Smoke Concentrate, Ground Mustard, Konjac, Ground Celery Seed.
Contains: Wheat. May contain Soy.
