

Cacao Bliss (Loose Leaf)

Description:

Cacao Bliss (Loose Leaf) is made up of rich, organic cacao shells, the outer part of the cacao bean. This is a low caffeine blend since chocolate and cacao alike contain very minor natural stimulants like theobromine.

Taste:

Davidson's Cacao Bliss (Loose Leaf) offers the deeply layered flavor of dark chocolate.

Origin:

Originally, cacao shells were viewed as a waste product while the cacao beans went on to be made into chocolate. Recently, cacao shells have been found to make a great cup of tea thanks to its delicious taste and presumed health benefits. Cacao shells are packed with antioxidants, amino acids, magnesium, iron, and zinc.

Ingredients:

Organic cacao shells.

Brewing:

1. Bring fresh, filtered water to a boil.
2. Add 2 grams of tea to an infuser, or straight into an 8-oz. mug.
3. Pour the heated water into the mug.
4. Steep for 5-7 minutes.
5. Strain tea leaves, or take out the infuser.
6. Sip and enjoy Davidson's organic tea.
