

Green Tea Garden (Loose Leaf)

Description:

Green Tea Garden (Loose Leaf) combines cinnamon and chamomile with a base of delicate green tea.

Taste:

Davidson's Green Tea Garden (Loose Leaf) carries an exotic flavor with floral undertones and a cinnamon spice finish.

Origin:

The organic green tea in Davidson's Green Tea Garden loose leaf blend is sourced from China. Davidson's co-owner, Kunall Patel, makes a point to visit our Chinese small farmers often to understand their cultivation practices. Here's a rare image of him in front of the camera during a recent visit to one of the tea farms.

Ingredients:

Organic sencha, organic chamomile, organic cinnamon, organic hibiscus, natural flavor, organic calendula flowers, and organic corn flowers.

Brewing:

1. Heat fresh, filtered water just short of the boiling point.
2. Add 2 grams of tea to a infuser, or straight into an 8-oz. mug.
3. Pour the heated water into the mug.
4. Steep for 2-3 minutes.
5. Strain tea leaves, or take out the infuser.
6. Sip and enjoy Davidson's organic tea.
