FOR THE VALUE-MINDED BUYER

OVEN & GRILL CLEANER

REMOVES TOUGH BAKED-ON
GREASE & GRIME

NET CONTENTS:
1 GALLON
4/CASE

DESCRIPTION: A highly effective oven and grill cleaner formulated to penetrate fats, grease and carbon found in baking ovens, grills, deep fryers, ventilation hoods and canopies. Easily penetrates tough baked-on deposits to save time and manpower. A foamy, semi-viscous liquid, it clings to vertical surfaces making it easier to remove encrusted grease and grime. Safe for use on stainless steel, chrome, iron, copper and most baked enamel oven surfaces. Free-rinsing and nonflammable.

DIRECTIONS FOR USE:

Turn off oven or extinguish pilot light prior to cleaning. For best results, use on a warm oven (160 °F). If using on a cold oven, allow product to set for 15 to 20 minutes. Spray product directly onto surface. Allow cleaner to penetrate for 5 minutes. For heavy carbon, use an oven brush or sponge. Rinse with a wet sponge to remove all grease and carbon residue. Heavily encrusted ovens may require a second application. Can be used in automatic hood cleaners.

INGREDIENTS: WATER (CAS# 7732-18-5), SODIUM HYDROXIDE (CAS# 1310-73-2), DISODIUM COCOAMPHO DIPROPIONATE (CAS# 68604-71-7), TRISODIUM N-(HYDROXYETHYL)-ETHYLENEDIAMINETRIACETATE (CAS# 139-89-9), SODIUM GLUCONATE (CAS# 527-07-1), SODIUM SILICATE (CAS# 6834-92-0), ALKYL ARYL ETOXYLATE (CAS# 9016-45-9) SODIUM GLUCOHEPTONATE (CAS# 3138-65-5)
