Walls  
Concrete  
Furniture  
Porcelain  
Chrome  
Desks  
Tables  
Plastic  
Vinyl  
Refrigerators  
Painted Surfaces  
Stainless Steel

### DESCRIPTION:

All Surf is an all purpose, non-butyl liquid cleaner great for use on an array of surfaces. It is non-corrosive and non-flammable, and it will not soften or dull floor finishes and waxes.

### DIRECTIONS:

*General Cleaning:* Add 2 to 3 ounces of concentrate to each gallon of water. Brush or sponge onto surfaces. Rinse with clean water using a sponge or cloth.

*Wet Mopping of Resilient Floors:* Add 2 ounces of concentrate per gallon of water. Apply freely to the floor with a mop or sponge. Pick up and rinse with clean water.

*For Use in Automatic Scrubbers:* Add 1 ounce of concentrate per gallon of water in the reservoir tank. These directions are flexible rather than specific. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be used.

This product meets the maximum content requirements for Volatile Organic Compounds (VOCs) as established by state and federal regulations.
