

Wash Brite

Built Liquid Laundry Detergent

Net Contents: 2.5 Gallons - 2/CS

Wash Brite

WASH BRITE is concentrated liquid laundry detergent containing builders, surfactants, soil suspending agents and brighteners for a complete, first rate wash. Use with bleach and break as required.

DIRECTIONS

Use with automatic feed dispensing system. The complete detergent gives best results with hot (150°F) water, but may be used efficiently with cold water. For normal conditions, use 4 to 6 ounces detergent per 50 lb. washload in a typical 6 to 10 minutes wash cycle. Consult your Noble Chemical representative for specific use directions.

DANGER

HAZARD STATEMENTS

Causes severe skin burns and eye damage
