STAINLESS STEEL CLEANER

This product is a water-based formula used for cleaning and polishing stainless steel, chrome, copper, aluminum, brass, and other hard surfaces. It is a water-in-oil emulsion, where the oil surrounds the water and contacts the surface to be cleaned first. This allows the product to act like a solvent (oil-based) system while not having an oiliness or flammability. This pleasantly fragranced product cuts through grease and oil while leaving a protective shine.

DIRECTIONS FOR USE: Shake well before using. Spray sparingly over surface. Wipe clean with a dry cloth, turning often. For heavy deposits, allow foam to remain up to a minute before wiping. Polish to a high shine with a different CLEAN, dry cloth.

DANGER: Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes eye irritation. May be fatal if swallowed and enters airways. Keep away from heat, sparks, open flames, and hot surfaces. —No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations.

PELIGRO: Aerosol Inflamable. Contiene gas a presión; Puede explotar si se calienta. Causa irritación de la piel y ocular. Puede ser fatal en caso de ingestión y entra por las vías respiratorias.

Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. —No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perfor ni quemé, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada. Lávese bien las manos después de manipular. Si cae en los ojos; Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Si persiste la irritación ocular. Consulte con un medico. Si se ingiere: Llame inmediatamente a un centro de control de venenos. NO Induzca vomito. Almacene bajo llaves. Elimine el contenido y envase de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales.

CONTAINS (CAS#): Water (7732-18-5), Petroleum distillates, hydrotreated light (64742-47-8), Butane (106-97-8), Propane (74-98-6), Polymethyl Siloxane (63148-62-9), Fragrance Oil (N/A), d-Limonene, Citral.

STAINLESS STEEL CLEANER

EXCEL

Removes Deposits, Polishes Metal & Protects Surface

Use also on Chrome, Copper, Aluminum, Brass, Steel and More

Contains No Chlorinated Solvents or Ozone Depleters

Non-Greasy, Water-Based Formula

Pleasant Lemon Fragrance

DANGER/PELIGRO:
FLAMMABLE AEROSOL.
CONTAINS GAS UNDER PRESSURE;
MAY EXPLODE IF HEATED.
AEROSOL INFLAMMABLE.
CONTIENE GAS A PRESIÓN;
PUEDE EXPLOTAR SI SE CALIENTA.

NET WT. 18 oz. (1 lb. 2 oz.)(510 g)
