

Warranty, Cleaning and Storage Instructions

Warranty:

5 years on the Pan Structure and 1 year on the nonstick surface against manufacture defects. Normal wear and tear not covered. Improper cleaning and storage may damage the pans and will void the warranty.

Cleaning and storage:

Pans should be hand washed with Subway-approved cleaning solutions and procedures. Please use warm, soapy water and rinse thoroughly if the solution is unavailable. To dry the pans, air dry only. Do NOT use an abrasive cleaner or sponge. To avoid damage to the pan's nonstick surface, please stack with like-style pans and do not force stack older versions of the pan or place or store utensils or kitchen tools with sharp metal edges in the cavity.

The product is NOT Dishwasher safe.
