

QUICK START GUIDE

181MCJ1

HEAVY-DUTY MANUAL COMMERCIAL CITRUS JUICER

MODELS

181MCJ1 - Manual Citrus Juicer

SAFETY INSTRUCTIONS

Safety:

This juicer should only be operated by trained individuals. Be sure to read the operation and cleaning guide before using.

CAUTION: KEEP HANDS CLEAR OF JUICING FUNNEL WHEN IN USE TO AVOID INJURY RISK.

OPERATION

1. Position the juicer on a flat, dry countertop.
2. Press down on the base so that the suction cups hold the juicer to the counter.
3. Lock the bowl and straining funnel in place. There are notches on the bottom of each which can be inserted into the base and twisted to lock in place.
4. Place a container underneath the funnel to receive the juice.
5. Place halved fruit on reamer and hold in place until the push block is in contact with the fruit.

REMOVE HAND BEFORE APPLYING DOWNWARD PRESSURE.

6. Press the handle down to extract juice.

USE CAUTION WHEN CLEANING

1. Remove reamer and strainer bowl from base.
2. Wash with mild soap (such as Noble Chemical's 147SUNBRIGHT) and warm water.
3. Wipe the juicer with damp, soft cloth and sanitizer (such as Noble Chemical's 147QUIKSAN).
4. Allow parts to dry and reassemble.

REPLACEMENT PARTS

These parts can be purchased from the same location as the juicer.

ITEM NUMBER	DESCRIPTION
